

## Location

BG Verkehr | Large conference room  
Ottenser Hauptstr. 54 | 22765 Hamburg | Germany

## The BG Verkehr

BG Verkehr is the social accident insurance in charge of companies in the transportation sector, postal logistics and telecommunications. It provides insurance cover for around 1.7 million people in almost 200,000 companies throughout Germany.

BG Verkehr is responsible for rehabilitation and compensation after work accidents and occupational diseases of the insured. Its employees provide advice and support in all matters relating to occupational safety and health protection and monitor compliance with occupational safety regulations.
